E-mail from Marti Millington (martisiq@mtco.com), July 1999:

From the LDS microfiche: Anne, daughter of John Coltas, christened 28 Jan 1734. "There is, however, another Ann (note spelling), christened 9 Oct 1763, daughter of John Coultas. I believe the two Johns are the same, however, as the records I have show that there were as many as 22 children in this family (some sets of twins). Now if you have 15 children -18 months to 2 years apart, it would take 30 years to have them! Wow! My William and his wife Elizabeth had 13! By the time she had the last child, the oldest children were marrying! The 'women' married VERY young... 13, 14, 15. That was NOT uncommon. Indeed, my ggg grandmother was 14 when she married. (I shudder to think of THAT!) My ggg grandfather was nearly TWICE her age ... I confirmed the marriage of Ann and George Otley: 25 Jan 1785. I also checked the fische for their children christened in Kirby Misperton: 1753 Mary
23 Apr 1755 George; 01 Aug 1757 Thomas; 08 Apr 1765 Frances (her); 22 Feb 1786 John (parents Geo. & Ann - perhaps SON Geo.?; 01 Jan 1788 George (parents Geo & Ann see John above)

"Other Otleys: 14 Oct 1784 George (parents Thomas & Mary (son of Geo?)); 08 Feb 1817 Ann (parents John and Jane (son of Geo?))"

From a memorial written by W.F. Short, Winchester, IL Aug. 11, 1864:

"For 40 years John Sr. was a member of the church and as long as health permitted was very active in promoting the cause of religion. Mr. Otley was regarded as an honorable man, a worthy citizen and a sincere Christian. He was renowned for bold and outspoken condemnation of what he believed to be wrong. While in England his house was long used for preaching the gospel. In this country, it was the preacher's home, and many a time has the homeless itinerant there found shelter, repose, and refreshment. But his work is done and he has gone to possess his reward at the right-hand of him who said: 'In as much as ye have done it unto one of the least of these, ye have done it unto me.'"

John Otley, was also a native of Yorkshire, where he engaged in farming until 1840, when he came to the United States and settled near Winchester, Scott county, Illinois, where he purchased a tract of unimproved land of three hundred acres. With characteristic energy he began its development and successfully carried on the work of the fields until his death, which occurred August 5, 1864, when he was seventy-eight years of age. He organized and built the first log schoolhouse of the district and also organized the first religious congregation, which held its services in the schoolhouse. It was through his instrumentality that the first circuit rider came to this district and in the early years the visiting ministers here were always entertained in his home. Thus, while carefully conducting his business interest, he also contributed to the intellectual and moral progress of the community and his labors were a valuable factor in the early progress of the county. He married Jane Chapman, also a native of Yorkshire, and her death occurred October 29, 1875, at the age of seventy-nine years, in the home which is now occupied by her son Robert. The children of the family (sic) were George, John, Robert, Thomas C., Richard, William and four daughters who died in England. Only two are now living, Robert, and Thomas, the latter a retired farmer of Neponset, Illinois.

Robert Otley

Robert Otley follows farming on section 34, Kewanee township, and has contributed in substantial measure toward the agricultural development of the district. He has also taken an active part in the substantial growth of Kewanee in that he has laid out three different additions to the city and has operated quite largely in real estate. His sound business judgment and enterprise are recognized as salient features in his life work, bringing to him creditable success which is today his. He was born in Westow, Yorkshire, England, June 13, 1831.

His father, John Otley, was also a native of Yorkshire, where he engaged

in farming until 1840, when he came to the United States and settled near Winchester, Scott county, Illinois, where he purchased a tract of unimproved land of three hundred acres. With characteristic energy he began its development and successfully carried on the work of the fields until his death, which occurred August 5, 1864, when he was seventy-eight years of age. He organized and built the first log schoolhouse of the district and also organized the first religious congregation, which held its services in the schoolhouse. It was through his instrumentality that the first circuit rider came to this district and in the early years the visiting ministers here were always entertained in his home. Thus, while carefully conducting his business interest, he also contributed to the intellectual and moral progress of the community and his labors were a valuable factor in the early progress of the county. He married Jane Chapman, also a native of Yorkshire, and her death occurred October 29, 1875, at the age of seventy-nine years, in the home which is now occupied by her son Robert. The children of the family (sic) were George, John, Robert, Thomas C., Richard, William and four daughters who died in England. Only two are now living, Robert, and Thomas, the latter a retired farmer of Neponset, Illinois.

Robert Otley acquired his education in the old log schoolhouse which his father built near Winchester, mastering the branches of learning through the winter months, while with the return of spring he took his place in the fields to aid in the cultivation of the crops, and not until the harvests were gathered in the autumn did he again have the privilege of attending school. When twenty-four years of age, upon his father's retirement, he took charge of the home farm and conducted it until he purchased his present farm of two hundred and fifty-four acres on the south line of Kewanee township and just southeast of the village. The former owner of the property was Sullivan Howard. The purchase was made in March, 1865, and Mr. Otley removed to the farm on which he has since lived. Later he bought forty acres in the village, adjoining his original tract on the west. In 1874 he erected a fine house of the first tract to replace the old dwelling. He brought with him from Scott county to this farm in 1865 forty head of cattle, a part of which were thoroughbred shorthorns, and for fifteen years he engaged extensively in the breeding of fine cattle and also Berkshire and Chester White hogs and high grade horses. He was the first to introduce thoroughbred shorthorns in this and some of the neighboring counties. He became widely known as a breeder throughout this section of the state and on the 10th of June, 1874, he held a sale which brought him over sixteen thousand dollars. He also engaged extensively in buying and shipping stock and was recognized as one of the foremost live-stock dealers of central Illinois. Since 1874 he has confined his attention to fine stock raising and general farming. At different times during the past fourteen years, especially in 1895, 1900 and 1902, he has operated quite extensively in real estate, laying out three additions to the city, comprising in all forty acres of land. Mr. Otley also, at his own expense, laid out one-half mile of East Prospect street, which is considered one of the finest streets in the city. he has also been interested in other real estate and now owns other farm lands and city property.

On the 28th of January, 1858, in Scott county, Illinois, Mr. Otley was married to Miss Rebecca Gibbs, a daughter of Robert and Rebecca Gibbs, who also came from England and were early settlers of Scott county, Illinois. Mrs. Otley died April 21, 1863 at the age of twenty-seven years, leaving

three children: Ellen Jane who was born in 1858; Mrs. Mary May Bunton, who was born in 1861 and lives in Kewanee; and George Thomas, who was born in 1863 and follows farming near Kewanee. Alice Ann, who was born June 23, 1860, passed away on the 15th of August, 1860. Mr. Otley was married a second time in Canandaigua, New York, on the 30th of March, 1876 to Miss Mary A. Hayes, of that place. She died April 4, 1877, at the age of thirty-nine years, leaving one son, Robert Hayes Otley who was born February 23, 1877, and died on the 16th of August, of the same year.

Mr. Otley cast his first presidential vote for John C. Fremont in 1856, cheered for him in the parade at Jacksonville, Illinois, and in 1860 supported Abraham Lincoln, with whom he had a personal acquaintance. He was in the grand rally and parade at Springfield, Illinois, cheering for Lincoln and against slavery. He has since been a staunch republican, and in early life was an active worker in the ranks of the party. He served as highway commissioner for several years and assisted in laying out some of the roads here. He has always been interested in the work of public progress and his aid and influence have ever been given on the side of improvement and advancement. He is respected (sic) by all because of his upright life, fidelity to duty and reliability in business affairs, and well deserves mention in this volume.

Notes for THOMAS COULTAS OTLEY:

These are the Family Tree Maker Notes Pages of Lyford Hale (lyfordhale at gwandrw dot com):

From Grandma Clyde, talking to LH:

Grandma Clyde and the family of her generation gave his middle name as "Colton." English records say "Coultras."

About 1900-03, the Otleys sold their farm in Neponset and bought a hotel in town -- The Otley House. Grandpa Otley's first wife -- Amy Ann (Jennie's mother)-- died in a fire. She was filling oil lamps. Jennie was age three. Thomas Otley's second wife was younger. She helped to run the hotel (What can I say? That's how Grandma Clyde told it to me).

From book: Voters and Taxpayers of Bureau County, Neponset Township:
Thomas Otley was a farmer, Democrat, Methodist, owned 1650 acres valued at \$16,000.

From book: History of Bureau County, page ____
"Thomas C. Otley, Neponset. The subject of this sketch was born October 5, 1833, in Westow, Yorkshire, England. He is a son of John and Jane (Chapman) Otley. (See the genealogy of the Otley family in a preceding sketch). Our subject was principally reared in Scott County, Ill. to which he came with his parents in the fall of 1840. He remained there till after he reached his majority, and then came to Neponset Township, Bureau County, where he formed a partnership with his brother George, which lasted several years. During that time they dealt in cattle and livestock and farmed. After they dissolved partnership, our subject continued the stock business for some years. He now lives on a farm of 160 acres in Section 22. Mr. Otley was married twice. His first wife, Emma Robinson, was a native of Dutchess County, NY She died here, leaving five children, viz: Alonzo, Addie, Jane, Lizzie and Amy. Mr. Otley was married a second time September 23, 1866, to Charlotte Phillips, who was born May 6, 1844, in Cortland County, N.Y. She is the mother of Charlotte Otley, who was born January 24, 1868. Mrs. Otley is a daughter of William and Malinda (Helmer) Phillips, natives of New York, where the latter died. The former died in Neponset, Ill., to which he came in 1864. Mr. Otley is no office seeker, and politically he is identified with the Democratic party."

He was born 30 Nov 1860 in Neponset, Bureau Co., IL⁸⁵, and died 20 Mar 1955 in Los Angeles, California⁸⁵.

Notes for JANE "JENNIE" OTLEY:

These are the Family Tree Maker Notes Pages of Lyford Hale (lyfordhale at gwandr dot com):

Have a letter to Jennie Lyford dated Oct 4, 1922. It's from "Cousin Ellen," in Kewanee, IL. She says she "thinks grandma had three brothers, William, John and Thomas Chapman." She is correct. She says John Otley, Sr. and wife, Jane, came to the U.S. from the County of Yorkshire, England in 1840. They bought a farm near Winchester, Scott Co., IL. They had four sons: John, Robert, and Thomas L. Otley. On this farm, John Otley, Jr. died in 1855. John, Sr. died on the farm on a Friday evening, Aug. 5, 1864, at the age of 78 years, 6 months, 13 days.

Talked with the Lyford cousins in Neponset, Moses Victor, Scott and sister Helen, Sept, 1998 (they pronounce the town name as: "knee-pon-set"). Helen Lyford said she recalls "Aunt Jane (Jennie Lyford) saying: "If the Lord meant you to smoke, he'd have built you with a chimney."

Clyde's benefits application lists mother as Jennie Ann Otley.

Notes for LEO LINCOLN LYFORD:

These are the Family Tree Maker Notes Pages of Lyford Hale (lyfordhale at gwandrw dot com):

Leo and Jennie met at the home of friends (Grandma Clyde says they met at a barn dance). He says a little about this in his diary, which LH has. They were married 2-15-1883, by Rev. Wilson. Leo was 22 and Jennie was 21.

There were two churches in Neponset, Congregational and Methodist. The Lyfords went to the Methodist. Grandma Clyde and her sister, Jane, sang in the choir. The Lyfords had a farm. When Joseph Lyford died March 1, 1900, Leo used his share of the inheritance to move to Kewanee.

On the farm (in Neponset or Kewanee? It's not clear) they raised oats and corn on more than 200 acres. They had a horse and cows. They had a "good" house. Grandma Clyde says she rode the horse. They also had a buggy, which Grandma said she liked to make "go fast."

The Lyfords moved from Kewanee to LA in 1903. According to Grandma Clyde, in a tape-recorded talk with LH, Jennie's cousin, Lillian Galloway Murdock moved from Kewanee to California. Her letters "helped to spread the fever to the Lyfords." They came to LA on a "tourist train." The trip took about a week and they had a "great time." They bought a house on Maple Street and lived there until moving to 1407 Portia St. Lillian and another close friend even lived with them for a while.

Leo Lyford, a farmer in Illinois, went to work for the gas company. Later, Hazel (and, maybe, Bert) helped get him on at Union Hardware & Metals, in LA, where he stayed 25 years.

When the family moved to 1407 Portia Street, in LA on December 2, 1921, they bought a square of adjoining lots. Grandma and Grandpa lived at 1407 Portia, LA. One house to the north were Hazel and Bert Caudry. Behind Hazel were Aymee and Bernie Hudson. Behind Grandma and Grandpa was a small house owned by one of them that was a rental. When they bought, there was one house on the lot. The Lyfords built a second house for income. Aunt Hazel later bought it. Aymee and Uncle Bernie built the third house (the tiny one) to live in while they built their house on McDuff.

Leo and Jennie became members of the first Nazarene Church to be founded, called: First Church of the Nazarene, at 1177 West 25th St., Los Angeles. Dr. P.F. Bresee was the founder. This was March 20, 1903. Was 6th and Wall Sts. the second address? Leo was a long-time faithful worker, according to church newsletter. Jennie was a greeter at the door for 30+ years.

Have a certificate: "In Memoriam. This certificate is presented in memory of Mr. L.L. Lyford whose name has been placed on the Memorial Roll Nazarene Foreign Missionary Society Church of the Nazarene. Los Angeles First Church, May 17, 1955."

From the Nazarene church newsletter: "Translated to the more excellent glory, Leo L. Lyford passed away in the glorious triumph of the Christian Faith in the early morning of March 20, 1955 at the age of ninety-four. We will hold in precious memory this saintly man who with Mother Lyford occupied the front seat of the sanctuary for so many years. Brother and sister Lyford celebrated their seventy-second wedding anniversary last month. They were received in the membership of First Church by its founder and first pastor, Dr. P.F. Bresee and have been loyal members for fifty-two years. The funeral was conducted at Bresee Brothers' Mortuary with Dr. Weaver W. Hess officiating. Mrs. Ruth Miller sang "Beautiful Isle of Somewhere" and "In the Sweet By and By." Mrs. Mary Stewart was at the chapel organ. Our deep sympathies are extended to Mother and the family."

"Have a bulletin from April, 1950. In it is a photo of Grandpa Lyford on his knees driving nails as he helps build the new Nazarene church. The caption says: "Dad" Lyford, Old-Timer, Faithful Worker on New Church Building. Mr. and Mrs. L.L. Lyford joined the church in 1903. They have been members for 47 years. From Illinois they came to Los Angeles in the month of February. In March they joined the march from the tabernacle on Los Angeles street to the new church building at Sixth and Wall. Mr. and Mrs. Lyford have been married 67 years. "Dad" Lyford will be 90 years of age his next birthday. He is a forward looking man building bridges for youth. He faithfully works on the new church building. He hits the nail on the head. In such a spirit he will never die. He will live forever." A handwritten note in the margin says he worked 200 hours on the building.

From a "This is your life" presentation to the Lyfords at the Nazarene Church, commemorating their 70th wedding anniversary:

"Leo and Jennie were born in Neponset. Great Grandpa Lyford went there in 1834 and helped to start the town. He owned the general store (more detail in Neponset book) and grain elevator. Great Grandpa Otley was a cattleman.

"The Lyfords met at the home of friends, and Leo said it was love at first sight. One afternoon later, as Jennie was ironing, she received a letter. The letter was from Leo asking for a date.

"They were married Feb. 15, 1883 by Rev. Wilson. Leo was 22, Jennie was 21.

"The Lyfords joined the first Nazarene church to be founded, on Los Angeles St.. The preacher was Dr. Bresee, who founded the church. A small boy, who became a charter member of the church and later a minister and scholar is the Dr. J. Proctor Knott (his photo is in Aymee's HS yearbook). He is here to honor the Lyfords.

"When the Grand Ave. church was founded in 1908, the Lyfords became charter members. The church used to meet in homes and have prayer meetings. Leo used to lead out in choruses, particularly "I believe the Bible." By 1910, the Lyfords both came back to First church again.

"We would like to say in closing that Mr. and Mrs. Lyford have been faithful in their attendance and support of the church all these years. It was an inspiration and a challenge to all the men of this church to see Mr. Lyford down here night after night, and sometimes days, doing heavy work, helping to build a new church; and Mrs. Lyford has stood at the door greeting friends and strangers for more than 30 years.?"

From a newspaper clipping (LA Times): "Couple Mark 70th Anniversary by Exchanging Verbal Valentines. Leo Lincoln Lyford, 92, and his wife Jennie Ann, 91, marking their 70th anniversary yesterday, exchanged verbal 'Valentines,' in answer to the question:

'How have you managed almost three-quarters of a century of wedded bliss?'

'It was easy,' Lyford began. 'She's always been a good wife and...'

'Say,' his wife interrupted. 'He did it. He did it by being the perfect husband. He doesn't smoke, drink or chew.'

'Tried all three a couple of times,' Lyford admitted, ruefully. 'Made me sick every time.'

Both were born in Neponset, Ill. Lyford's middle name springs from the fact that he was born the same year (1860) that Abraham Lincoln was elected to his first term as president.

Married in Neponset in 1883, the couple have made their home in Los Angeles since 1903. Lyford was retired from the Union Hardware & Metals Co. in 1931.

'As I recall,' Lyford said, 'our marriage had sort of a grim beginning.'

Seems that about 50 guests attended their wedding and during the reception afterward one of those Midwest snowstorms struck hard. All the guests had to spend the night with the bride and groom.

'The sun was shining brightly yesterday, however, on the little cottage at 1407 Portia St. where the Lyfords entertained some 80 guests, including their four daughters, eight grandchildren and nine great-grandchildren.'

On 71st wedding anniversary LA Examiner ran a photo of the Lyfords, calling them the "longest married

couple in Los Angeles County."

Leo retired after 35 years with the Union Hardware Metal Co. The Lyfords celebrated their 72nd wedding anniversary on Feb. 15, just four weeks before he died. (from newspaper obit.).

Leo is buried in Inglewood Memorial Park.

Notes for ALMA JANE LYFORD:

Have a typewritten letter from Miss Lottie E. Granger, 1547 Fourth Street, Des Moines, IA, to Miss Alma J. Lyford, dated 11-13-1922. Miss Lyford lived in Los Angeles.

My Dear Miss Lyford:

Yours of recent date just at hand. Allow me to say that if you will send me three or four blanks, which you can secure from the Registrar of D.A.R., where you expect to apply for membership, I shall be pleased to make you a copy of your ancestral service in the Revolution, to the extent of three, and perhaps four, of

your forebears, viz: James Hosley, Abner Whitcomb, ancestors of Sarah Hosley Whitcomb, Josephine Hinman Lyford's mother; also Simeon Hurd, and perhaps one other ancestor named Weller, whose line I am now working. The two latter on the side of Chas. G. Hinman, father of said Josephine.

Of these you can choose the one most to your taste, or enter on all, though there are extra fees for the examination of papers for more than one ancestor.

I have sent material to Mrs. Mary Ett South, granddaughter of Rolandus B. Hinman, C.G.'s brother, to Margaret Welch St. Clair, Gr. G. Dau. of C.G., to Mrs Rounseville also. The two former have reported admittance into local chapters.

I met your father Leo Lyford, before he was married, when I was living under this roof and the home was in Clarinda. I have also met nearly every one else of our father's relations I am pleased to say, and all are of peculiar interest to me because of my love for your great Aunt Helen, or "Nell Henshaw" as you call her.

Mr. Henshaw is nearly 83, now totally blind. We are living in a duplex, our own, occupying the 1st floor, the home just as it was when Mrs. H. died, January 3, 1920. Mr. H is very well though totally blind. I have given up my regular occupation, teaching, to administer the affairs of her estate, against the time when they must pass to some one else; keeping the house for Mr. Henshaw, who feels that no where else can he be so self-helpful, nor so contented as here; at the same time I am very busy with much that pertains to her papers, letters, etc. I am very busy all the time, with a business that exceeds in variety that of any other woman of my acquaintance; but it is a labor of love and that is why I am here.

Any details of yourself and your father's own family will be received by me with interest passing that of a mere stranger, or an acquaintance only, for I some times feel very deeply that the modified words of Ruth to Naoma are true of me in respect to Helen Henshaw: Thy people are my people; thy God my God.

Awaiting further instructions from you in the coming of the required blanks, I am,

Very truly,
Lottie E. Granger

P.S. allow me to state that you are invited to join the Colonial Dames. Locally here one is never invited who has the keen edge of pressing eligibility. "A word to the wise", therefore our Des Moines Colonial Dames are very blue blooded and exclusive.

Alma Jane moved to Leisure World in 1963,. Also lived on Commercial, in South Gate, CA.
